- Editorial changes

IMPLEMENTATION PLAN

2023 Edition of RCI-1 2023 Commissions and Endorsements

Part 1

- Terminology updates. Applicant to candidate & editorial updates throughout.
- Struck reference to specific hour requirement in 1-1.3. The NB-380 document that was referenced will describe requirements hourly or otherwise.
- Completely revised section 1-6 REINSTATEMENT OF THE COMMISSION/ENDORSEMENT. Reexamination is required for all reinstatements over 2 years. The section was reorganized to remove repeated requirements.
- New section 1-9 APPLICATIONS added. Employer is responsible for inspector candidate and inspector development, training, education, experience, supervision, etc.
- Table 1 **AI** commission requirements extensively revised.
- Table 1 Experience third bullet related to boiler operation was rewritten.
- Table 2 **R** endorsement requirements extensively revised.
- Table 4 1. Editorial changes and term substitution in Note 2.
- Table 4 2. Schedule dates updated.

Part 2

- Extensive revision and consolidation of requirements recognizing that endorsement examinations are available at On-Demand providers.
- Section renumbering and editorial changes.

Part 3

- Section 3-1.7 struck as requirement not applicable for this type of supervisor.

Part 4

- Editorial changes

Part 6

- Extensive revision of section 6-2.
- Editorial changes in terms in section 6-3.

Glossary of Terms

- Editorial Changes
- Removed part of Employment definition which is now covered in accreditation documents
