and makes application for a National Board of Boiler and Pressure Vessel Inspectors Certificate of Authorization permitting the use of a National Board Certification Stamp for a period to be specified.

In consideration of receipt of said National Board Certification ("NB") stamp, the company agrees that the stamp shall be used only by the named company and in the manner prescribed in National Board requirements. The company agrees to surrender the stamp and certificate immediately at any time the National Board may request. Further, the company agrees to surrender said stamp should it discontinue the above mentioned new construction activities or no longer have a valid certificate of authorization in its possession. The company agrees to pay any and all legal fees and National Board costs incurred in the recovery of said stamp and certificate if the above is not complied with and action is necessary. Further, it is agreed that the authorized jurisdiction or the National Board may make audits or unannounced visits as deemed necessary to assure compliance with the rules of The National Board of Boiler and Pressure Vessel Inspectors.
