**If You Pass the Examination**

Passing the examination is but one step towards attaining a National Board Authorized Inspector Supervisor (B) Endorsement. You must also meet certain education and experience criteria, and be employed by a National Board member jurisdiction, or an accredited/accepted Authorized Inspection Agency. Application forms for the National Board Authorized Inspector Supervisor (B) Endorsement are available on the National Board’s Web site, www.nationalboard.org. The application forms must be completed jointly by the candidate and employer.

**If You Do Not Pass the Examination**

Upon written request from the candidate, the National Board will provide an exam Score Report outlining your score for each category of the examination. The National Board’s policy for reexamination is outlined in RCI-1, NB-263, *Rules for Commissioned Inspectors* and indicates a candidate not successfully completing the examination may be eligible to re-take the examination. A candidate who fails to receive a passing grade after taking the examination three (3) times in a twelve (12) month period is not permitted to take the examination for at least one (1) year following the last attempt.

**Notification of Results**

It is the National Board’s goal to notify each candidate of his/her examination results within one week of the examination.

**Confidentiality**

Information about candidates and their examination results are considered confidential and may only be released to the exam candidate or his/her employer (with the permission of the candidate).
