4. Action Items

5. Discussion Items

a. Part 2 and 3 areas to investigate for overlap.

1) Mr. Gilston brought up the below topics for discussion:

- Part 3, S8.5 a) – requires a post-repair inspection plan to be in place (e.g., intervals) which must be accepted by the IS Inspector. This is not in the scope of Part 3. An item has been opened to address this (A21-53). **July 2025:** R&A is currently working on this item. Part 2 feels they already have language for their Inservice Inspector to review this plan along with the applicable R form
- Completely removing a defect – FFS refers to Part 2. **July 2025:** New item was opened (25-27) and being worked on.
- Nameplate removal when it is necessary to get to the affected area – refers back to Part 2, 5.2.1, 5.2.4. **July 2025:** Tom White will open an action item in R&A for temporary removal of nameplates when necessary to make a repair.

b. Keyword searches in Parts 2 and 3

The task group discussed keywords that should be searched and reviewed in Parts 2 and 3. Part 2 members will search in Part 3, and Part 3 members will search in Part 2. This will also help develop more familiarity with those parts. The members will connect with one another between meetings to compare and discuss findings.

The following members will search the following keywords:

NBIC Part 2 Search:

- inspection/Inspector: Phil Gilston-- After discussion it was determined **action items** will be pulled to look at SG-Inspection, supplements 6 and 7. **July 2025:** Phil Gilston will continue to look at this.

NBIC Part 3 Search:

- Inspector: Tim Bolden—**July 2025:** Paul Davis to open an action item in SG-R&A to look at Part 3, 3.3.4.8 to clarify/add verbiage regarding the word inspector. SG-R&A to open **action item** to look at Part 3, 5.3, 5.4, S3.2, and S6.16.3 to clarify repair inspector vs. in-service inspector.
- Inservice, interval: Jim Clark-- No action with inspection. Teams meeting will be conducted to discuss Interval sometime in between now and January meeting.

6. Future Meetings

- a. July 13-16, 2026 – Salt Lake City, UT
- b. January 11-14, 2027 – Nashville, TN
