Detailed Description of Recommendation

TRAINING & EXAMINATION

A prospective National Board Team Leader or Representative shall have training sufficient to develop competency in reviews, audits, surveys or similar activities in accordance with National Board policies and procedures and have attended the National Board Seminar for Team Leaders and National Board Representatives.

The prospective National Board Review Team Leader or Representative, who will conduct reviews, shall pass a written examination with a grade of at least 70%, which shall evaluate the prospective National Board Review Team Leader’s or Representative’s comprehension and ability to apply the training fundamentals.

Attended National Board Team Leader and/or Representative Course & Examination:

(Date of Attendance)

Application for NEW issuance of National Board Review Team Leader / Representative

ACTIVITY PARTICIPATION

- The prospective National Board Team Leader or Representative shall be assigned with a qualified National Board Team Leader or Representative to participate in a minimum of three reviews or visits of the type for which qualification is being sought within a one year period, except as provided as follows:
 - For a Qualified National Board Team Leader seeking Qualification for another
 - For qualification to conduct laboratory and authorized observer acceptance reviews, the individual must be a National Board Test Laboratory Authorized Observer, qualified to conduct reviews and shall participate with a qualified National Board Representative during one laboratory review.
 - For qualification to witness testing, the individual must be a National Board Test Laboratory Authorized Observer (or have completed a special National Board Pressure Relief department training course to witness testing), qualified to conduct valve selections, and shall participate at least once with a qualified National Board Representative to witness testing at an accepted laboratory.

3 Reviews Participated In:

Company	Location	Team Leader / Representative	Date

Qualification Review Report Submitted to the National Board Team Leader / Representative:

- The prospective National Board Team Leader or Representative shall complete a Qualification Review Report (QRR), or the report required for each of the activities being reviewed.
- The qualified National Board Team Leader or Representative shall appraise the prospective National Board Team Leader’s or Representative’s performance, including a review of the QRR, completed for content, completeness and accuracy. The qualified National Board Team Leader or Representative shall submit a written evaluation of the prospective National Board Team Leader or Representative.
